

Children Home (Orphanage)

Yangon, Myanmar, [REDACTED]

Children Home Building: - We are taking care of 26 children (orphans)

and some came from Moeka Cyclone suffering. In Win Children Home, there are two storage buildings, boys' and girls' dormitories. Our Orphanage building is sent in the attachment file.

Orphanage group Photo: - All the children go to church on every Sunday

and attend morning Sunday School. They are also leading praise and worship service and action Song. Group songs and Presentation songs are also included in every

Sunday items. They are doing social work on every Saturday morning such as washing clothes, sweating rooms, cleaning the toilets and cook for the meal. Moreover, they all go to excursion once in a year.

Children Home Students: - All the kids go together to public schools. On

weekdays, they always check their notes, homework, texts books, pens, pencils, rulers, umbrellas before they go to school. They are not allowed to go to school separately for their safety, therefore, they go to the school as a group.

Teaching in Children Home: - from 2020 to 2022, public schools,

Colleges, University and training Center have closed due to Covid 19 and political crisis. All the Public Schools and Universities reopened from June 1st, 2023. Education system is not running properly till today since pandemic and political crisis began. Therefore, we invited teachers to teach our orphans in home

tuition, Children home during that difficult time.

School Class: -

Our children attend their classes every Monday to Friday. Head Master, Teachers and staff are faithful on their work. School classes start from

9:00 am to 3:00 pm and lunch time is 12:00 pm to 12:30 pm. All the students have their sport time in every evening.

Drawing: - KG and Primary classes are training the kids such as drawing, writing Alphabets and hand writing. Some students are drawing world map and others relating to their subjects, science & etc. Not only they draw the pictures but also, they paint their pictures with color pencils. Some of students are very interested to drawing.

Class study: -

Our Children have to study 6 subjects but some high school students have ██████████ study more than six. All teachers and assistant teachers are guiding them in the study hours.

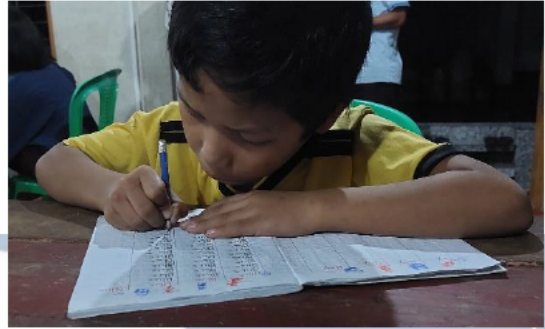

Who are from Moe-ka Cyclone: -

The big Moe-ka Cyclone hit extremely to Myanmar, it damaged plenty of houses, lands and dying a lot of people. Yangon Division, Eyeayawa Division, Sagaing Division, Chin state, Especially Rakhine Division. Four of the children in the picture come to our Children home who do not have food to eat and shelter for their family. They are David who is 13 years old & 12-year-old Joel, Jesse (12 years old), Deborah (a girl with a dress who is also 12

years old) and Gloria (15 days). There are two girls and three boys. (Names are written in right to left.)

Learning Writing: - Since public school closed for three years in our country Myanmar, 7-year-old children just start learning education by drawing pictures, writing alphabets, reading, hand writing every day. They are improving their education day after day. Hopefully, they will become a good leader for the future life.

A baby "Gloria": - We got a 15-day-old baby on 21st May, 2023 and she was totally neglected from her biological parents and thrown in the rubbish. After the police and village council picked her up from rubbish, they gave her to our Children Home (Orphanage). We also accepted her and are responsible for her future life and education. She is now 2 months old.
